

Alternative Equity Multiplier, based on two or more state indicators below the state All Students group, truly targets the lowest performing students.

Under the Governor's Proposal, all student groups except for Filipino and Asian are the focus of additional funding under the Equity Multiplier. Chronic Absenteeism qualifies all but two student groups as lowest performing.

Student Group Funding Status	Group	ELA	Math	Suspension Rate	Graduation Rate	Chronic Absenteeism
	All Students	Low	Low	Medium	Medium	Very High
Student groups already receive state or federal supplemental funding	Foster	<b>Very Low</b>	<b>Very Low</b>	<b>Very High</b>	<b>Very Low</b>	<b>Very High</b>
	SW Disabilities	<b>Very Low</b>	<b>Very Low</b>	High	Low	<b>Very High</b>
	Homeless	Low	<b>Very Low</b>	High	Low	<b>Very High</b>
	African American	Low	<b>Very Low</b>	High	Low	<b>Very High</b>
	American Indian	Low	Low	High	Low	<b>Very High</b>
Student group already receives state supplemental funding	English Learners	Low	Low	Medium	Low	<b>Very High</b>
	Hispanic	Low	Low	Medium	Medium	<b>Very High</b>
	Pacific Islander	Low	Low	Medium	Medium	<b>Very High</b>
Student group already receives state supplemental funding	Socioecon. Disad.	Low	Low	Medium	Medium	<b>Very High</b>
	Two or More Races	High	Medium	Medium	Medium	<b>Very High</b>
	White	High	Medium	Medium	High	<b>Very High</b>
	Filipino	High	High	Low	Very High	High
	Asian	Very High	Very High	Very Low	Very High	High

Notes:

Red text indicates that the student group performance level is worse than the performance of all students.

Bold text indicates that the student group performance level is the lowest (i.e. worst) possible level.
